2017-2018 PROGRAM

TEE-LO Golf, Inc., a 501(c) 3 organization, (EIN: 59-3735699) is a solid Community-based program for young people to essentially learn the game of life through the game of golf. The organization seeks to actively engage young people ages 7 -17 years in maximizing their own potential through focused academic achievements while learning fundamental golf skills, proper etiquette and manners, and helping them to transfer those life lessons to becoming upstanding citizens.

This type of program charges no fees to its students in order to participate. "No Fees" is a vital key element of our program's mission. Our coaches and staff are all dedicated volunteers who support the students in all endeavors of life. We exist solely on sponsor donations and through resources provided by sponsors, parents and various fund raising activities throughout the year.

TEE-LO Golf is now recruiting students for our 2017-2018 program. We encourage parents to support their children's efforts by attending scheduled events and participating in TEE-LO activities. The 2017-2018 program has been structured to teach beginning concepts to our new students and provide continued and advanced training to our existing base of students. We are striving to make "Ladies and Gentlemen" of all our students.
